Welcome & Introduction

02

Background to the Regulations

Background

- On 30 April 2019 the UAE enacted the Economic Substance Regulations (ESR) which **applies across the UAE** in every jurisdiction, including all Free Zones and Financial Free Zone (such as the DIFC).
- **All DIFC entities** are now required to submit the Economic Substance Notification by **June 12, 2020** regardless of whether it conducts a Relevant Activity or not.
- The UAE Ministry of Finance has issued a [Relevant Activities Guide](#) which should assist you in determining whether your business conducts a relevant activity and falls within the scope of the ESR.
- More information can be found on the [Economic Substance page](#) on DIFC's website.
- Your business may also be required to file an economic substance return (“**ES Return**”), within 12 months of your financial year end, to demonstrate that your business meets the ESR requirements. Information relating to the ES Return will be issued in the **second half of 2020**.
